

Flatland

EQUIPMENT SALES & SERVICE INC.

FOR ALL AGGREGATE PROCESSING EQUIPMENT NEEDS

LEADING THE AGGREGATE INDUSTRY AND STRIVING FOR CUSTOMER SATISFACTION!

ABOUT US:

Flatland Equipment Sales & Service was started in 2012, and we are now a leader in the Aggregate processing equipment sales and repair industry. With our vast knowledge of the industry, for the past 25 years no job is too large. Our expertise and skills in Repair, Fabricating and Manufacturing sets us apart from the competition. We partner with the best suppliers and manufacturers to maintain a large parts inventory to minimize our customers production down time.
